**In the new 2020-21 session, all students are expected to wear uniform when coming into the building for direct learning and teaching**

### Students not in Uniform

- ✓ Receiving teachers should pass names of students to the office. Text messages sent to inform parents.
- ✓ Students may be able to borrow any missing items, but only if Covid19 regulations permit.
- ✓ Persistent non-uniform should be referred to year head, who will meet with parents and student to agree upon the standards and resolve the matter.

### Management Support

- ✓ Management will continue to promote uniform across social media, visiting classes and contact with parents.

Thank you for your ongoing support and vigilance in establishing and maintaining our high expectations of all students. Your input is invaluable.
